Rockville, MD 20857

May 6, 1999

To Whom It May Concern:

I oppose the Draft Memorandum being proposed by the FDA. In Particular, I object to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

Please tell me why you are proposing these restrictions. Because I am a cancer survivor, my health depends on the availability of medications from these specialized pharmacies.

Sincerely,

Monica Maass
